| ID    | Series   | Tests   | Status | Patches | Submitter         | Reviewer | Upda  |
|-------|--|---------|--------|---------|-------------------|----------|-------|
| 55308 | drm/i915: Pull all the reset functionality together into i915_reset.c (/series/55308/)                           | warning | New    | 1       | Chris Wilson      | None     | 2019- |
| 55340 | series starting with [1/4] drm/i915/vbt: Add 'tp4' to variables holding TP2/3/4 PSR wakeup time (/series/55340/) |         | New    | 4       | Souza, Jose       | None     | 2019- |
| 55327 | Timing issues between ALSA and i915 drivers (/series/55327/)   |         | New    | 1       | Takashi Iwai      | None     | 2019- |
| 55232 | drm: Split out drm_probe_helper.h (/series/55232/)   |         | New    | 1       | Daniel Vetter     | None     | 2019- |
| 51408 | Add support for Gen 11 pipe color features (/series/51408/)  |         | New    | 6       | Shankar, Uma      | None     | 2019- |
| 55311 | drm/i915: Limit the for_each_set_bit() to the valid range (/series/55311/)                                       |         | New    | 1       | Chris Wilson      | None     | 2019- |
| 54280 | drm/i915/perf: add OA interrupt support (/series/54280/)   |         | New    | 7       | Lionel Landwerlin | None     | 2019- |
| 55281 | drm/i915: switch to kernel fixed size types (/series/55281/)   | warning | New    | 17      | Jani Nikula       | None     | 2019- |
| 54917 | drm/i915/query: Split out query item checks (/series/54917/)   | success | New    | 1       | Abdiel Janulgue   | None     | 2019- |
| 55265 | drm/i915: Move intel_execlists_show_requests() aside (/series/55265/)  | failure | New    | 1       | Chris Wilson      | None     | 2019- |
| 55203 | drm/i915: Pass down rc in intel_encoder->compute_config() (/series/55203/)                                       | failure | New    | 1       | Lyude Paul        | None     | 2019- |
| 55249 | Add uAPI to support ICL VME hardware for new media-driver (/series/55249/)                                       | failure | New    | 6       | Joonas Lahtinen   | None     | 2019- |
| 51362 | drm/i915/userptr: Avoid struct_mutex recursion for mmu_invalidate_range_start (/series/51362/)                   | failure | New    | 1       | Chris Wilson      | None     | 2019- |
| 46547 | drm/i915: Differentiate between ggtt->mutex and ppgtt->mutex (/series/46547/)                                    | success | New    | 1       | Chris Wilson      | None     | 2019- |
| 55201 | series starting with [1/3] drm/i915: Prevent concurrent GGTT update and use on Braswell (again) (/series/55201/) | warning | New    | 3       | Chris Wilson      | None     | 2019- |
| 55194 | series starting with [1/3] drm/i915/audio: Track temporary rpm wakerefs (/series/55194/)                         | warning | New    | 3       | Chris Wilson      | None     | 2019- |
| 55200 | series starting with [1/8] drm/i915: Serialise concurrent calls to i915_gem_set_wedged() (/series/55200/)        | failure | New    | 8       | Chris Wilson      | None     | 2019- |
| 48194 | Per context dynamic (sub)slice power-gating (/series/48194/)   | failure | New    | 6       | Tvrtko Ursulin    | None     | 2019- |
| 55154 | series starting with [v2,1/2] drm:   | warning | New    | 2       | Emil Velikov      | None     | 2019- |

|       |   |         |             |    |                        |      |       |
|-------|---|---------|-------------|----|------------------------|------|-------|
|       | annotate<br>drm_core_check_feature() dev<br>arg. as const (/series/55154/)  |         |             |    |                        |      |       |
| 55181 | series starting with [CI,01/21]<br>drm/i915: Track all held rpm<br>wakerefs (/series/55181/)                      | failure | In progress | 21 | Chris Wilson           | None | 2019- |
| 55097 | series starting with [v3,1/4]<br>drm/i915/psr: Allow PSR2 to be<br>enabled when debugfs asks<br>(/series/55097/)  | warning | New         | 4  | Souza, Jose            | None | 2019- |
| 55095 | drm/i915: GTT remapping for<br>display (/series/55095/)   | failure | New         | 6  | Ville Syrjälä          | None | 2019- |
| 55083 | drm/i915/cmdparser: whitelist<br>needed predicate registers for<br>Anv (/series/55083/)                           | success | New         | 1  | Lionel Landwerlin      | None | 2019- |
| 54942 | drm/i915: Try to sanitize bogus<br>DPLL state left over by broken<br>SNB BIOSen (/series/54942/)                  | success | New         | 1  | Ville Syrjälä          | None | 2019- |
| 55081 | Enable/disable gamma/csc<br>dynamically and fix C8<br>(/series/55081/)  | warning | New         | 13 | Ville Syrjälä          | None | 2019- |
| 55035 | Enable Y2xx and Y4xx<br>(xx:10/12/16 bits) packed<br>formats for ICL (/series/55035/)                             | warning | New         | 3  | Sharma, Swati2         | None | 2019- |
| 54030 | MST refcounting/atomic helpers<br>cleanup (/series/54030/)  | warning | New         | 20 | Lyude Paul             | None | 2019- |
| 49983 | drm/i915: Infoframe<br>precompute/check<br>(/series/49983/)   | failure | New         | 10 | Ville Syrjälä          | None | 2019- |
| 54991 | series starting with [1/3]<br>drm/i915/ringbuffer:<br>EMIT_INVALIDATE *before*<br>switch context (/series/54991/) | success | New         | 3  | Chris Wilson           | None | 2019- |
| 54986 | series starting with [01/21]<br>drm/i915: Track all held rpm<br>wakerefs (/series/54986/)                         | failure | In progress | 21 | Chris Wilson           | None | 2019- |
| 54967 | series starting with [v2,1/2]<br>drm/i915/selftests: recreate WA<br>lists inside the selftest<br>(/series/54967/) | warning | In progress | 2  | Daniele Ceraolo Spurio | None | 2019- |
| 54962 | drm/i915: init per-engine WAs for<br>all engines (/series/54962/)   | success | New         | 1  | Daniele Ceraolo Spurio | None | 2019- |
| 54959 | drm/i915/psr: simplify enable_psr<br>handling (/series/54959/)  | failure | New         | 1  | Ross Zwisler           | None | 2019- |
| 54948 | series starting with [1/2]<br>drm/i915: Reduce recursive<br>mutex locking from the shrinker<br>(/series/54948/)   | success | New         | 2  | Tvrtko Ursulin         | None | 2019- |
| 54896 | series starting with [1/5]<br>drm/i915/backlight: Restore<br>backlight on resume, v3.<br>(/series/54896/)         | warning | New         | 5  | Maarten Lankhorst      | None | 2019- |
| 54903 | series starting with [1/4]<br>drm/edid: Pass connector to AVI<br>infoframe functions<br>(/series/54903/)          | warning | New         | 4  | Ville Syrjälä          | None | 2019- |
| 54876 | series starting with [1/2]<br>drm/i915: Enable render context<br>support for Ironlake (gen5)<br>(/series/54876/)  | failure | New         | 2  | Chris Wilson           | None | 2019- |
| 54884 | series starting with [1/2]<br>drm/i915/gvt: give the cmd  | warning | New         | 2  | Jani Nikula            | None | 2019- |

|       |  |         |   |    |                 |      |       |
|-------|--|---------|---|----|-----------------|------|-------|
|       | parser decode_info a const treatment (/series/54884/)  |         |   |    |                 |      |       |
| 54869 | series starting with [1/2] drm/i915/userptr: Avoid struct_mutex recursion for mmu_invalidate_range_s... (/series/54869/) | warning | New   | 2  | Chris Wilson    | None | 2019- |
| 25091 | Add HDR Metadata Parsing and handling in DRM layer (/series/25091/)  | warning | New   | 12 | Shankar, Uma    | None | 2019- |
| 54803 | series starting with [01/46] drm/i915: Return immediately if trylock fails for direct-reclaim (/series/54803/)           | failure | In progress    | 46 | Chris Wilson    | None | 2019- |
| 54859 | drm/i915: drop all drmP.h includes (/series/54859/)  | failure | New   | 1  | Jani Nikula     | None | 2019- |
| 54857 | drm/i915/gvt: remove drmP.h include (/series/54857/)   | success | New   | 1  | Jani Nikula     | None | 2019- |
| 54797 | series starting with [1/2] drm/i915: Prevent a race during I915_GEM_MMAP ioctl with WC set (/series/54797/)              | failure | New   | 2  | Joonas Lahtinen | None | 2019- |
| 54775 | drm/i915: Combined gt.awake/gt.power wakerefs (/series/54775/)   | failure | New   | 1  | Chris Wilson    | None | 2019- |
| 54774 | drm/i915: Simplify enabling gen6/7 user interrupts (/series/54774/)  | failure | New   | 1  | Chris Wilson    | None | 2019- |
| 54768 | drm/i915: Watchdog timeout: Blindly trust watchdog timeout for reset? (/series/54768/)                                   | warning | New   | 1  | Carlos Santa    | None | 2019- |
| 54744 | series starting with [v3,1/2] drm/i915: Reduce recursive mutex locking from the shrinker (/series/54744/)                | success | New   | 2  | Tvrtko Ursulin  | None | 2019- |
| 54739 | series starting with [1/2] drm/i915: Move workaround infrastructure code up (/series/54739/)                             | success | New   | 2  | Tvrtko Ursulin  | None | 2019- |
| 54692 | series starting with [v2,1/6] drm/i915/psr: Allow PSR2 to be enabled when debugfs asks (/series/54692/)                  | failure | New   | 6  | Souza, Jose     | None | 2019- |
| 54721 | drm/i915/ringbuffer: Drop gen7_xcs_emit_breadcrumb (/series/54721/)  | warning | New   | 1  | Chris Wilson    | None | 2019- |
| 54684 | Shrinker tweaks/fixes? (/series/54684/)  | failure | New   | 4  | Tvrtko Ursulin  | None | 2019- |
| 50497 | drm/i915: Always try to reset the GPU on takeover (/series/50497/)   | success | New   | 1  | Chris Wilson    | None | 2019- |
| 54639 | drm/i915/selftests: Take a breath during check_partial_mappings() (/series/54639/)                                       | success | New   | 1  | Chris Wilson    | None | 2019- |
| 54636 | series starting with [01/39] drm: Reorder set_property_atomic to avoid returning with an active ww_c... (/series/54636/) | failure | In progress  | 39 | Chris Wilson    | None | 2019- |
| 54547 | drm: Reorder set_property_atomic to avoid returning with an active ww_ctx (/series/54547/)                               | success | New   | 1  | Chris Wilson    | None | 2018- |
| 50834 | CRTC background color  | warning | New   | 3  | Matt Roper      | None | 2018- |

|                  |   |         |             |    |                   |      |       |
|------------------|---|---------|-------------|----|-------------------|------|-------|
| (/series/50834/) |   |         |             |    |                   |      |       |
| 54529            | series starting with [1/6] drm/i915: Remove redundant trailing request flush (/series/54529/)                     | warning | In progress | 6  | Chris Wilson      | None | 2018- |
| 54523            | series starting with [CI,1/2] drm/i915/execlists: Pull the render flush into breadcrumb emission (/series/54523/) | warning | In progress | 2  | Chris Wilson      | None | 2018- |
| 54520            | series starting with [1/3] drm/i915: Restrict PSMI context load w/a to Haswell GT1 (/series/54520/)               | warning | In progress | 3  | Chris Wilson      | None | 2018- |
| 54494            | drm/i915: drmPh include removal w/ drm prep work (/series/54494/)   | warning | In progress | 6  | Jani Nikula       | None | 2018- |
| 54518            | series starting with [1/3] drm/i915: Implement Selective Write workaround for Haswell GT1 (/series/54518/)        | failure | In progress | 3  | Chris Wilson      | None | 2018- |
| 54517            | series starting with [1/2] drm/i915: Remove HW semaphores for gen7 inter-engine synchronisation (/series/54517/)  | warning | In progress | 2  | Chris Wilson      | None | 2018- |
| 54499            | drm/i915: modparam rework prep work (/series/54499/)  | warning | In progress | 6  | Jani Nikula       | None | 2018- |
| 47132            | Add Colorspace connector property interface (/series/47132/)  | failure | New         | 2  | Shankar, Uma      | None | 2018- |
| 54503            | drm: add DRM_DEBUG_CORE() and friends and use them (/series/54503/)   | warning | New         | 1  | Jani Nikula       | None | 2018- |
| 54431            | Gen9 Guc and HuC Updates (/series/54431/)   | failure | New         | 8  | Anusha            | None | 2018- |
| 54127            | series starting with [RESEND,1/5] drm/i915/backlight: Restore backlight on resume, v2. (/series/54127/)           | warning | New         | 5  | Maarten Lankhorst | None | 2018- |
| 54424            | skl+ watermark stuff (/series/54424/)   | warning | New         | 9  | Ville Syrjälä     | None | 2018- |
| 54404            | Move pm_runtime accounted time to raw nsec (/series/54404/)   | warning | New         | 3  | Vincent Guittot   | None | 2018- |
| 54341            | series starting with [1/3] drm/i915/ddi: Move DDI port detection to the corresponding helper (/series/54341/)     | warning | In progress | 3  | Imre Deak         | None | 2018- |
| 54364            | drm/debugfs_crc: Degrade ERROR when overflowing to INFO (/series/54364/)  | warning | New         | 1  | Maarten Lankhorst | None | 2018- |
| 54414            | drm/i915: from module params to device params (/series/54414/)  | failure | In progress | 11 | Jani Nikula       | None | 2018- |
| 38254            | drm/i915: Implement HDCP2.2 (/series/38254/)  | failure | New         | 39 | Ramalingam C      | None | 2018- |
| 54330            | drm/i915: Fix i915_gem_wait_for_idle oops due to active_requests check (/series/54330/)                           | failure | New         | 1  | Yang, Bin         | None | 2018- |
| 54285            | series starting with [1/9] drm/i915: Remove HW semaphores for gen7 inter-engine synchronisation                   | warning | In progress | 9  | Chris Wilson      | None | 2018- |

|                  |  |         |               |    |   |  |      |       |
|------------------|--|---------|---------------|----|---|--|------|-------|
| (/series/54285/) |  |         |               |    |   |  |      |       |
| 54213            | series starting with [1/3] drm/i915: Prepare for larger CSB status FIFO size (/series/54213/)                    | failure | New           | 3  | Mika Kuoppala   |  | None | 2018- |
| 54238            | sysfs: Disable lockdep for driver bind/unbind files (/series/54238/)   | warning | New           | 1  | Daniel Vetter   |  | None | 2018- |
| 53928            | drm/i915: correct the pitch check for NV12 framebuffer (/series/53928/)  | success | New           | 1  | raviraj.p.sitaram@intel.com   |  | None | 2018- |
| 54170            | series starting with [v4,1/2] drm: Add color management LUT validation helper (v4) (/series/54170/)              | success | New           | 2  | Matt Roper  |  | None | 2018- |
| 54242            | series starting with [1/5] drm/i915: Remove HW semaphores for gen7 inter-engine synchronisation (/series/54242/) | warning | In progress 1 | 5  | Chris Wilson  |  | None | 2018- |
| 54226            | drm/i915: Disable FBC on fastset if necessary (/series/54226/)   | warning | New           | 1  | Maarten Lankhorst   |  | None | 2018- |
| 54222            | Move pm_runtime accounted time to raw nsec (/series/54222/)  | failure | New           | 3  | Vincent Guittot   |  | None | 2018- |
| 54059            | PM/pm_runtime: move on hrtimer and nsec (/series/54059/)   | warning | In progress 1 | 3  | Vincent Guittot   |  | None | 2018- |
| 54143            | drm/i915: Enable fastboot by default on Skylake and newer (/series/54143/)                                       | failure | New           | 1  | Hans de Goede   |  | None | 2018- |
| 738              | dim: Remove git commit --amend from dim_apply (/series/738/)   |         | New           | 1  | Ander Conselvan de Oliveira   |  | None | 2018- |
